CIVIL ACTION NO: 1:10-CV-10588 (FDS)

**PLAINTIFF'S UNOPPOSED MOTION FOR EXTENSION OF TIME TO FILE
STIPULATION OF SETTLEMENT AND PRELIMINARY APPROVAL PAPERS**

On December 20, 2013, the parties in this action advised the Court that they had an agreement in principal to settle the action and filed a Joint Motion to Suspend Discovery and Other Deadlines in light of their agreement. The motion also proposed that the parties file a Stipulation of Settlement and Motion for Approval on or before January 13, 2014. (Dkt. #363.) The Court granted the Motion by Electronic Order (Dkt. #364) and by separate Order (Dkt. #365) moved the status conference set for December 23, 2013 to January 14, 2014 at 11:30 a.m.

By this motion the parties seek a short extension of time, until January 21, 2014, within which to submit the Stipulation of Settlement and Preliminary Approval papers to the Court for its review. Although the Stipulation of Settlement and Exhibits, including the proposed Notice of Settlement of Class Action and proposed preliminary and final approval orders, have been drafted, they were provided to State Street on January 7 and State Street's counsel requires

additional time to obtain input from their client and provide comments and proposed changes to Class Counsel. In addition, due to holiday schedules and other intervening and unexpected developments in other cases, Class Counsel have not yet finalized a draft of the proposed motion for preliminary approval for review by and input from State Street's counsel, and need a short amount of additional time to do so.

The parties have no reason to expect that any substantive disagreement will arise in the negotiation of the language of these documents that will undermine the settlement agreement, but require this short extension to finalize the documents and present them to the Court. Plaintiff, therefore, respectfully requests that the Court grant the extension requested. Additionally, although the parties are prepared to appear for the status conference scheduled for January 14, 2014 should the Court want to proceed then, the Court may wish to reschedule the status conference for a date after the submission of the preliminary approval papers.

Class Counsel have conferred with Defendants' counsel who have indicated that they agree with the need for the extension and do not oppose this request.

Plaintiff attaches a suggested form of Order at Tab A.

Dated: January 10, 2014
